

Registering a Participating Team Member Over the Age of 18 For a MATE Competition

This tutorial will walk you through the registration process for a student who is over the age of 18 who is participating in a MATE ROV Competition (Regional or International Event). This tutorial assumes that you've received a registration invitation from your Team Mentor or Instructor. If you haven't received this invitation, please contact your team's mentor and request one.

The first link in your registration invitation is to register for the Active Network. Below the line in that email that reads: "If you haven't registered yet, you can register and join the team here:" click on the link, you will be taken to the page below where you will be asked provide an email address so Active can either find your account, or start you on your way to creating an account:

The screenshot shows a web browser window with two tabs for "2017 MATE International". The address bar shows a secure connection to <https://endurancecui.active.com/new/events/40362553/priceCategories/40362853/primaryForm?inviteId=5cf23e6a-04bd-4d85>. The main content area features a large blue and white banner for the "MARINE ADVANCED TECHNOLOGY EDUCATION CENTER". The banner includes a circular image of a man in a blue shirt and khaki pants, a blue button with a calendar icon and the text "JUNE 23-25, 2017: INTERNATIONAL ROV COMPETITION LONG BEACH, CALIFORNIA", and a list of activities: UNDERWATER ROBOTICS COMPETITIONS, FACULTY DEVELOPMENT, WORKFORCE RESEARCH, EDUCATIONAL KITS, and INTERNSHIPS. The website URL "WWW.MARINETECH.ORG" is displayed at the bottom of the banner. Below the banner, there is a language selector set to "English (United States)". A progress bar shows three steps: "SELECT CATEGORY", "COMPLETE FORM" (which is highlighted in orange), and "CHECKOUT". The main heading is "Registration", followed by the event details: "2017 MATE International ROV Competition - TEAMS - EXPLORER - Students - Join A Team". A clock icon indicates "Your spot will be held for 15 minutes." Below this, a message says "To complete registration faster, let's check if you have an account." There is a form field for "Email address" with a "Next" button to its right. Below the form field, it says "----- OR -----" and there is a blue button with the Facebook logo and the text "Log in with Facebook".

If your email address is found, you'll be asked for your password. If you do NOT have an Active.com account, you will be prompted to create one. The next screen you see will ask you to provide an email address so Active can either find your account, or start you on your way to creating an account.

Once you're logged in/registered, you'll be asked to provide some basic biographical information, as well as information about your experience with MATE – your contact details will be imported from the Active.com database.

At the bottom of the page, you'll be asked to confirm that you are joining a team – make sure that the team name you see is YOUR team (it should be!), then you should read and electronically sign all waivers:
